

Present With Power

September 23, 2010
(Maximum 8 participants)

Few skills are as vital to career success as the ability to stand up in front of a group to communicate ideas effectively. This highly interactive workshop assists you to improve your presentation skills through strategies and techniques for preparing and delivering a successful presentation, *every time*.

Learning Objectives:

- Develop self-confidence as a presenter
- Incorporate the four essential elements of credibility
- Develop effective non-verbal communication skills
- Connect with your audience
- Motivate your audience, be more persuasive
- Cultivate a spontaneous, natural speaking style
- Plan and organize your content for best results
- Develop powerful visual aids
- Handle "Q & A" like a pro
- Anticipate unexpected or difficult situations
- Learn the components of great opening and closing remarks
- Gain strategies for managing presentation anxiety
- Know the special requirements for presenting to C-Level and other senior executives

Opportunities for progressive practice and feedback are incorporated into the day. Individual critiques of your PowerPoint slides can also be arranged.

The workshop is the result of research into the best practices of successful presenters. It has received rave reviews from countless participants in a variety of sectors including tourism,
